

President's Message:

It's hard to believe that the holiday season is upon us. Where has the year gone? On behalf of the entire Executive Board, I would like to wish you and yours a happy and healthy holiday season.

WCAMPWA has had another great year. I would like to thank everyone for their efforts in making this a successful year. I look forward to seeing you at the holiday party on the 11th. As usual, Santa will be on hand to spread the holiday cheer. It is always a fun event, so don't miss it, and bring a guest.

Happy Holidays!!!

Benedict Salanitro, PE
President

WCAMPWA would like to create a centralized information library on the website for contract specifications and contract language. This library would be available for members to utilize in contract preparation. Please forward a copy of all past contracts that you have prepared, in either pdf or Microsoft Word to egerringer@scarsdale.com or send a hard copy to Eric Gerringer, Village of Scarsdale, 1001 Post Road, Scarsdale, NY 10583 and we will begin the process of cataloguing all entries. You will be notified when the library can be accessed.
