

President's Message:

Hope you are all enjoying the mild winter thus far.

The Pavement Management Workshop has been set for Wednesday, April 18, 2007, please complete the registration forms and return them early. The list of speakers and topics promise to be very informative.

Also, the Golf Outing has been set for Monday June 25, 2007, details to follow.

Remember that you must purchase 70% of your salt allotment from the State Contract. You will be charged a storage fee if you can't store it at your facility.

Hope to see you all at the meeting!
