

President's Message:

Happy New Year!!

I would like to wish everyone a happy a prosperous new year. It is with great pride that I will be serving as your President for the next 2 years. I thank all of the members and the various committees for their support as well as Marco Gennarelli for paving the way in this great organization.

With the winter season getting an early start, and forcing us to postpone our holiday party until January 10th, we are reminded to make sure we have our salt, calcium and other de-icing materials at hand. Let's pray for a mild winter and I look forward to seeing all of you on the 10th, and don't forget to bring a guest!!
