

## **President's Message:**

Winter just doesn't want to go away. With last weeks' storm it only strained our over-strained budgets, and then melted away. Thankfully, spring is just a few weeks away.

We have had a few changes on our Board. With Peter Costa leaving the position of Secretary I have appointed Eric Gerringier to fill the unexpired term of Secretary, and have appointed Lou Martirano to be our Program Chairman. I want to thank Peter for all of his tireless work for WCAMPWA and also thank Eric and Lou for helping out.

Don't forget to register for the Stormwater Seminar Workshop on April 22nd, at Lake Isle Country Club and our annual Golf Outing. Registration forms are attached so please sign up early to avoid being shut out. Save the date; our June picnic is all set for June 11th at the Crossway Firehouse in Scarsdale, with the honorable Thomas G. McKnight preparing the delicious food for us.

Our ad-hoc subcommittees have been working hard dealing with salt issues and Con Edison patches. We will have updates on these and other matters that the Board has been working on at our upcoming meetings.

Hope to see you all at the meeting on Thursday the 12th.

**Benedict Salanitro, PE**  
President
