

President's Message:

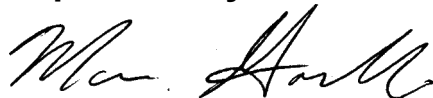

Spring has sprung. Hopefully, you are enjoying the great weather we've had recently.

The Pavement Management Workshop which was canceled due to the aftermath of the Nor'easter has been rescheduled for Wednesday, June 13, 2007. Please check the attached notice for details.

The devastation caused by the Nor'easter was unprecedented. Many families and business owners especially in the Sound shore communities, suffered devastating losses which will be difficult to recover from. Please try to be supportive of anyone who has suffered losses as a result of this storm.

Remember that this will be our last General Membership meeting until September. Our annual picnic is set for June 14th.

Hope to see you all at the meeting.

Marco Gennarelli
President
