

President's Message:

Leaf collection is in full swing, and before you know it the snow flakes will be flying. It's time to get that equipment ready to go.

I am happy to report that the Dinner Dance and the Sanitation and Public Works seminar were a huge success. We have had a busy year, and I would like to thank everyone who worked hard to make these functions a success.

The Nominating Committee is busy putting together a slate of officers for next year. Nominations from the floor will be taken at the next general membership meeting.

Hope to see you all at the meeting and a Happy Thanksgiving to you and yours.

Please be aware that the annual Holiday Party will be at a different location, with a change in the format. A separate notice will be sent out next week.

Marco Gennarelli
President
