

President's Message:

Leaf collection is in full swing, and before you know it the snowflakes will be flying. With the difficult economic challenges, overtime and general budget expenditures have become increasingly concerning to our operations. Doing more with less and managing our winter operations with material and fuel cost will be difficult endeavors for all of us. Good Luck.

I am happy to report that the Dinner Dance, although a light turnout, was a great success. We have had a busy year, and I would like to thank everyone who worked hard to make our functions and seminars successful.

The Nominating Committee is busy putting together a slate of officers for next year. Nominations from the floor will be taken at the next general membership meeting.

Hope to see you all at the meeting.

Benedict Salanitro, PE
President

WCAMPWA.org

WCAMPWA would like to create a centralized information library on the website for contract specifications and contract language. This library would be available for members to utilize in contract preparation. Please forward a copy of all past contracts that you have prepared, in either pdf or Microsoft Word to egerringer@scarsdale.com or send a hard copy to Eric Gerringer, Village of Scarsdale, 1001 Post Road, Scarsdale, NY 10583 and we will begin the process of cataloguing all entries. You will be notified when the library can be accessed.
