

## **President's Message:**

Economic stress. Another twist to our never ending challenges. We are all facing tough budget cuts, service reduction and other tough decisions. This crisis will be impacting all of operations from leaf pickup, snow and ice control to beautification projects, just to name a few. We have faced many obstacles in our profession and I am sure that we will be sharing ideas and suggestions to pull together and get through.

Let's not forget our upcoming Diner Dance scheduled for October 17<sup>th</sup>. Curtis Woods is handling this affair and it promises to be a great time once again. We have a special entertainer that will be with us that night, and we will be awarding three \$1000 scholarships.

ConEdison has also set up a very important Excavator Safety / Damage Prevention Seminar on October 16<sup>th</sup>. For more information please contact Matt palmer at palmerm@coned.com.

Please keep Peter Woodcock in your prayers for a speedy recovery (knee surgery) and Kathleen Hogan (dec. wife of Jim Hogan) in your prayers.

Hope to see you all at the meeting on the 9th.

**Benedict Salanitro, PE**  
President
