

President's Message:

Before you know it we will start to see the frost on the pumpkin and leaves piled on the streets, at least in some communities. Another season is upon us and we need to balance, even more, the delivery of services vs. our dwindling revenues. I only hope that we get through this season in a safe and efficient manner, since the next season we may not be so lucky.

Let's not forget our upcoming Dinner Dance scheduled for October 16th. Curtis Woods and Craig Useted are handling this affair and it promises to be a great time as we are combining the event with the Town Highway Superintendents. Both organizations have committees that have been working very hard at putting together the event, and I am grateful for their dedication and support. We have a special entertainer that will be with us that night, and we will be awarding three scholarships and honoring our "Person of the Year", Jeff Coleman, City of New Rochelle. Please make your reservations early and don't forget to see Dan Baskerville for your raffle tickets.

Hope to see you all at our regular membership meeting on the 8th.

Benedict Salanitro, PE
