

President's Message:

Summer is over! It's time to get back to work. I hope you all enjoyed your summer, and got some vacation time in.

Our General Membership meetings will resume this month. We have a great program lined up, so make sure you attend the meeting. Also we are working on an upcoming Stormwater Management Seminar this promises to be an excellent seminar, so look for the mailing and register early. Many thanks to Peter Costa and his assistants for organizing this seminar.

Con Ed will be sponsoring an "Excavator Safety / Damage Prevention" seminar on October 16th. More information will be available at our meeting.

The Dinner Dance will be here before you know it, set the date...October 17th. Get your tickets early, and come join us as we will award the education scholarships.

Hope to see you at the meeting on the 11th.

Benedict Salanitro, PE
President
